CURIOUS PATENTS.

peper wrappes a and a content for sound ideas and principles. It let pointed screw has evolved more wealth by their own smuggled truck ashore. — fought against slavery and the iniquitous system left him two million dollars in United States

inventor, and the common needle threader is worth ten thousand dollars a year to the man who thought of it. The "drive well": conceived the notion of driving a two-inch tube into the ground until water was reached and then attaching a pump. This simple contrivance was patented after the war, and royalty, a moderate estimate of which is placed at three million dollars. The spring graphic pen also brings in one hundred thousand dollars yearly; the marking pen for shading in different colors, one hundred thousand dollars; rubber stamps the same. A very large fortune has been resped by a western miner, who, ten years since, invented a metal rivet or eyelet in each end of the strain caused by the carriage of pieces of

TOO B G A START. Colonel Percy Yerger, although a kind busband, a leading member of the church, patriotic citizen and otherwise a high-toned Austin gentleman of culture and refinement. a nevertheless, not in the habit of meeting

1883. just new passing than ever before since it was first printed. No other newspaper published on this ide of the earth has been bought and read in any car by so many men and women.

We are credibly informed that people buy, read, and like Taz Swx for the following reasons, among

A third believes it to be the best magazine of ganral literature in existence, because its renders
make nothing worthy of notice that is current in
the world of thought. So every friend of Tax
Sun discovers one of its many sides that are ease
with particular force to his individual liking.
If you already know Tax Sun, you will observe
that in 1963 it is a little better than ever before,
if you do not already know Tax Sun, you will
find it to be a mirror of all human setivity, a
storehouse of the choicest products of common
sense and imagination, a mainstay for the cause
of honest soverthment, a sentinel for genuine Jet
tersonian Bemocracy, a securge for wickenness of
every species, and an uncommonly good livestment for the coming year.
